

## **COFFEE BREAK Ministry**

### **The mandate of Coffee Break Ministry is:**

- to create a space for women of all ages to enjoy friendship, conversations and grow spiritually.
- to encourage women to ask questions, share experiences, develop friendships and grow closer to God.
- to create an atmosphere that will make ladies of all ages and backgrounds feel welcomed.

At each meeting we study a book of the Bible or use a topical study to help us focus on a specific topic of Christian living. We also have special meetings where we will listen to a speaker, feature someone's favourite hobby or faith journey.

The leadership consists of two ladies who have volunteered and are GCRC members in good standing.

We meet every Tuesday from September to April from 9:30 to 11:00 am.

Suitable Bible study materials are found to view and/or study.

Refreshments are provided at each meeting.

Participants are encouraged to invite their friends/neighbours to join any time throughout the season.

Little Lambs children's program runs during Coffee Break when the need arises.

### **LITTLE LAMBS**

While the adults are discovering the Bible together at Coffee Break, we offer a children's ministry called Little Lambs which uses play style curriculum and activities for young children up to 4 years old. Included is a Bible story time, singing, crafts and snacks.
