

## **GCRC Library Ministry**

The library at Georgetown CRC is a place dedicated to providing Christian reading material and resources for all ages.

Currently, the library staff consists of two leaders and 10 librarians who, on a rotating schedule, will organize and restock shelves, assist with checking out books and DVDs, and most importantly provide book recommendations. On a typical Sunday there will be two librarians running the library.

The library committee meets twice a year to do library maintenance. This can include removing old books, covering new ones, and cleaning up the shelves. We also try to do a social event once a year for our committee members where we go out for dinner and possibly enjoy a show at the local theatre.

Volunteering at our library is not a big commitment and we are always looking for new librarians to join us. If you enjoy reading, come to our library after the service on Sunday and find your next great read!
