

GCRC HOSPITALITY TEAM

The primary function of the GCRC Hospitality Kitchen Team is to offer their services to provide and serve refreshments and/or a light luncheon after funerals, memorial services and training workshops held in our church, as requested.

This ministry aims to offer love and care in a practical way to those who are grieving in our church family. The team also supports church sponsored leadership training workshops and community building workshops, by providing and serving food, as needed, and in so doing, furthers the cause of Christ's kingdom.

The team includes coordinators, Tim & Alice Scheepstra, and approximately 4 – 6 volunteers that assist as needed in food purchasing, preparation, set-up, serving and clean-up.

The menu is determined in consultation with the family or group.

In the case of a funeral of a church member, the cost of the groceries is covered by the deacons. For a non-member, those costs are charged. There are no charges for labour.

Volunteering for this ministry provides an opportunity to share hospitality and compassion with others and to serve one another in Christ's name.
