Thank you all for serving in this capacity. Our primary focus is to greet and welcome those who attend our worship services, especially visitors. Visitors may need help finding the nursery and other facilities or have questions about Sunday School (Note: Sunday School registration form and/or QR code available at the welcome centre). Feel free to leave your post to accompany visitors to the appropriate areas.

Please wear the name tag (found in your mailbox) when it is your turn as greeter.

Opening doors for the elderly and families with young children is very helpful.

Please arrive by 9:30 am.

If you are unable to be there for your scheduled turn, please switch with someone or find a replacement. Please inform Pat of the change, as well (info@gcrc.on.ca 905-877-4332)

Thank you.
